

## Be a part of the future of the Island Nursing Home!

For decades, Deer Isle, Stonington, and the peninsula have come to depend on the Island Nursing Home for reliable, friendly, and respectful elder care. However, in recent years, staffing forced Island Nursing Home to close. While this is a problem statewide and around the nation, the Island Nursing Home Board of Directors understands the unique need for this facility and is working to reopen. While addressing the staffing challenges of reopening, a newfound challenge covering the gap between state reimbursement rates for residents and the cost to run Island Nursing Home has arisen.

### That's where you come in.

Island Nursing Home is partnering with businesses, individuals and foundations for unique naming opportunities throughout our beloved building. Naming opportunities exist on everything from benches and gardens to wings and the entire facility. Each naming opportunity is for three years, which will help cover the funding gap and allow Island Nursing Home to reopen sustainably to provide elder care to the region.

## Naming Opportunities *(Each opportunity is a total amount, covering 3 years)*

- Island Nursing Home Benches or Outdoor Lighting in gardens - **\$25,000**
- Island Nursing Home Gardens - **\$50,000**
- Island Nursing Home Nursing Station, or vans (with graphic wrapping) - **\$100,000**
- Island Nursing Home Wing, or Kitchen, or Dining Room or Lounge - **\$250,000 each**
- Island Nursing Home facility naming rights - **\$1,000,000**
